The "Voice of the I AM" is the mouth-piece through which the Ascended Masters’ Instruction can reach the students quickly, that the most powerful work possible for America and the world may be done by the students to release the greatest Light in the shortest time.

It will also contain information as to where the Accredited Messengers, Mr. and Mrs. G. W. Ballard and son, Donald, are teaching the Ascended Masters’ Instruction on the "I AM."

INFORMATION

The information given under the heading of "Young America" will be the Ascended Masters’ help to the young people for their protection and illumination, as they are the builders of the new civilization and are the channels through which the Ascended Masters will give their Light for the use of the outer world in the Golden "I AM" Age.

This magazine is not an outlet for articles from the students, but is the outpouring of the help from the Ascended Masters and has no human concepts in it.

THE SINDELR STUDIOS
2600 South Hoover Street Los Angeles, California
ELOVED Children of the Light, in the great Love that you have poured forth, it has made possible the achievement of the days just past and has drawn Me very very close to your hearts. Remember this is not my first visit to your city. I was here not many years ago in the tangible body and that one, whom I loved, (Dr. Robert Norwood) saw Me clearly.

I wish, to-day, that the churches throughout America and the world would receive Me as the “I AM” Students do, feeling and knowing My Reality; and that it is Myself actually dictating these Words, flashing them before the Messenger. However, that seems not to be the case and We must make the best of it.

My Joy in having an opportunity to speak My Love to the mankind of earth once again is very great. To-night will be the apex of certain Work from the Octaves of Light which We are doing for mankind and America. It is also reaching powerfully into Europe.

There are thirty-four present in this room to-night who were present at My Ascension two thousand years ago. Therefore, I feel somewhat at home. Most of you have come to know the Messengers were present at My Ascension also. Our beloved Lotus was the writer of those letters, the only accurate description of my Ministry and Ascension that has ever been given. It is your great privilege to have them to-day. In the many wonderful expressions I gave forth, I endeavored to
convey to mankind some understanding of the Great Eternal and Mighty Words, "I AM"! Today, those Words are flooding forth again with Understanding.

Beloved ones, do you realize how great is your privilege to-day? You are privileged in having the explanation in great detail of how, where and what your God Presence, the "Mighty I AM" is; what It means to you; and how you may actually, in spite of all human mistakes, call Its pure mighty Energy forth into action to cleanse and purify your mind, body, world and activity; so that Its Great Perfection may once again come forth to the earth.

Try to understand the Power in the utterance of those words in ordinary conversation; not only in the act of decreeing, but in the common ordinary use of the words, "I AM." You cannot speak those words without a tremendous vibratory action going forth. Once the students realize that in the speaking forth of those words, they set the eternal Power of the Universe into action; then they will understand how they can quickly set themselves free from every binding limiting thing.

Do you beloved Students of the "I AM," who are so earnest, realize what it means to use the Sword of Blue Flame? Because of the great need of mankind to-day, This Special Activity has been called forth into action. Oh, not by the Messengers, but by Ourselves. Try to realize to-night, that We are Real tangible Beings, free from all limitations, wielding the Power of Infinite Light.

I shall remind you of a few instances which recall old memories. This good brother, the Messenger, as the Roman soldier, wanted to give assistance with such a great Love—quite unusual in a Roman soldier. I knew the mission that I must fulfill, so I thanked him and rejected his offer of assistance. Then came the opportunity to assist him. Let Me assure you, I knew no distress throughout all that took place during the crucifixion. Mankind's interpretation and human concepts have colored those experiences unnecessarily.

In the Wisdom which was Mine, from the contact with the Great Divine Director, I received the Understanding of the "Mighty I AM Presence." It was then I decided, as I called Its Wisdom into action, in what way I should leave the example for mankind. It was My Great Joy, not sorrow to be that example. In the description written by our Lotus where my statement was: "You have been with Me in My sorrows, you shall now behold My Glory"; it was simply a matter of expression to designate the difference between the two activities. The people thought at the time that I experienced suffering, but I never felt any distress. I withdrew from the body on the cross. When it was placed in the tomb, I returned and performed what was required in the perfecting activity. Then I came forth in the Higher Mental Body, as the Messenger has described to you innumerable times.

To-night, I am trying to give you the feeling of the Reality, of how practical all these activities are. They seem to be transcendent miracles only because they are unknown. All is Life and Its definite Activity! You, to-day, may all experience the same thing! While it is not necessary for you
to go through the crucifixion as I did; yet all else that I attained is yours. There is no question about it. These Great Truths, these Great Laws, are given forth to you, by Those Who have won the Victory and made the Ascension.

I feel very grateful, that I was able to leave My Example in the blazing Etheric Record, beckoning to all mankind, until the day when they too stand with Us, in the Ascended Masters’ Octave of Light.

I want to assure every one of you that all Ascended Masters, Myself included, are one; all are Perfect Beings. We are free from imperfection of every kind! Therefore, We are assisting each other in that which We wish to accomplish. Do you not see how practical it is, that Saint Germain and I should be working together. He loved Me so greatly, and was trained by the same Great Being by Whom it was My Privilege to be trained. Why would We not love each other? Why would I not assist him, in the Greatest Endeavor that has ever been attempted by one individual upon the earth?

Remember, these are My Words and let no human being on earth doubt it, when I say to you, that Saint Germain has performed the Greatest Service ever attempted by one Being on earth. With your continued assistance and the gathering of more of mankind, to give the call and assistance which He has asked for; you will see manifested upon earth, the greatest achievement ever known since the Second Golden Age upon earth!

It is My Determination, to break down within the concepts of mankind, the feeling that Saint Germain should not be accepted as Myself. I shall not give My Radiation to any one who questions it. The Law of Life is compelling mankind to-day to turn to the One Source of Light, which is the “Mighty I AM Presence,” as you know It to-day.

The remarkable thing about this Work is that you have before you this accurate Chart which brings your three faculties into one focus of action; your attention, your vision and your power of qualification. Again, if you will observe, it brings you the Trinity of Action of the Godhead—Love, Wisdom and Power! Father, Son and Mother! In you, in each human form, that Activity is represented by your attention, your vision and your power of qualification. The Trinity of Action is everywhere in Life, if understood.

Therefore, to-day in the magnificent Understanding which is before you, in this Knowledge Saint Germain has brought forth; It is accurate, unparalleled for mankind in the history of the earth. The pity is that all churches throughout America and the world do not take it up! Why should the churches oppose the greatest Light they have always been praying to?

What is there that the Messengers give forth that any decent human being should oppose? It is the Light which every human being has been praying to and calling for throughout the centuries! Why condemn it now, when It has come forth to bless mankind? But in spite of all condemnation, It SHALL DO ITS PERFECT WORK! Already many who condemned the Messengers are seeing their mistakes. It is not the Messengers they condemn. It is the Light, they are condemning, remember that! The Messengers are the bearers of this Light—this Mighty Eternal Truth Which is the Freedom of every one on earth, who
will apply It and stand by and with the Presence. The ones who do not accept, just deprive themselves of the great Freedom, of the Help, of the Perfection, of the Joy which We would so gladly give!

To-day, you know that it is your application of the Great Law of Life which releases into your body and world Its health and Perfection. If you cannot make such a small attempt to free yourself and stand by It, how can you expect to be set free?

Please convey this to people wherever you have the opportunity. Ask mankind, who question the Truth of this Light, what is there about It that anyone could not accept? The Messengers ask but one thing—to give your attention to your own God Presence, the "Mighty I AM," and have Its Freedom. Saint Germain has gone into great detail to explain the application in every condition that you might apply It to your Life. Is there anything wrong about that which mankind should refuse?

To be very plain, it is but the stubbornness of human concepts, just because This Mighty Light did not come forth through the churches or some angle of Truth to which they feel favorable, they reject It. To-day, beloved ones, the Truth is that the Great Light had to come through a wholly independent channel of activity. It had to come through those who were pure enough to carry the Light and allow It to expand. Saint Germain through long, long preparation made that possible.

To-night, in the glory of the blessing which is yours, rejoice in it, beloved ones. With great discrimination and kindness, reach all whom you can. Ere long, avenues will be opened to spread this Light very much more rapidly; but the Messengers have been wise in holding the guard over everything, that the foundation might be strong. They have turned aside many things and Saint Germain in directing It has held It, until now Its foundation is good. It is firm and strong, to go on, and on, and on, until all the children of earth one day know this Great Presence and all that It means to them for their Freedom.

To-night My Joy and Gratitude are very great, for the acceptance of this most wonderful of all Truth and Light by so many of mankind to-day. Rejoice that you are a part of it; that you do not have to go through the experience of centuries ago. Blessed ones, this is not your first time of serving the Light. Many times have you been the vanguard of Light, or you would not be here to-day. That is the Great Law which all should understand. It is the Light within you which draws you to the Light and to this Understanding of the Presence. Surely you must realize, you would not be here, if the Light had not drawn you. You surely know that.

I ask you to watch the individuals who come and then temporarily turn aside. Their own Light has drawn and given them the opportunity; but the destructive qualities within them are just a little too strong yet for the present expansion of their Light. Such is quite a natural process within the human.

To-day, you think of Me as One Who performed miracles, so-called, of healing and various other things. Yet, to-day, the calls of the Messengers are performing thousands more healings than I per-
formed. Try to feel that. Oh dear ones, do not think or feel, because I have been the focus of attention of the church world, that there are not other wonderful Perfect Beings in a world of vast experience. There are planets without number inhabited by Great Beings of Light. Yet some of the blessed people of earth, still think that only this little planet is all in which there is Life and great Intelligence when back of all these Great Universes and planets is a Mighty Directing Intelligence.

How very wonderful it is, that you can realize this Mighty Truth and enter into Its great Expansion of Power and Light. Beloved ones, realize how fortunate you are that your Light has expanded enough, to allow you to accept this which is so simple. Yet It is so powerful and majestic in Its Action. Try to realize, that those who reject this Light are but depriving themselves of the Understanding to which one day they are compelled to come.

This Assistance of the Ascended Masters is not just for the present condition. It is an activity of the Light which is the Life of all human beings. It is the Life of the earth, including nature! The Cosmic Light is expanding within the earth, within human beings. This Light will compel everyone some day to accept the "I AM Presence" and there is not the slightest question about it. Anyone who refuses but delays the beauty, the joy, the happiness and the Perfection which could be his or hers, if each one could accept It at once, apply and enter into the Kingdom, which is the "Mighty I AM Presence."

The Kingdom to which I referred was the Presence, because I knew It. In those days, the Law would not permit—I mean your Law of Life—would not permit certain information to be given forth; because of the condition of the outer world and the density of the bodies of mankind. To-day, the Cosmic Light has said: "Now let this go forth and mankind may accept or reject!" but the Light within the heart, which is each one's own Life, will compel Its own activity of expansion.

It is because the Messengers know this, that nothing of human acceptance or rejection affects them in the least. They know it is a matter of expansion of the Light within every individual. When It has expanded enough, no one will reject It. The Cosmic Light is compelling that expanding activity to come forth.

Do you not see how practical all of this is, My Ministry included; but mankind has set My Activity upon a pedestal, when It is all natural and practical. That is why mankind has not had the results. While prayer is wonderful and beautiful, yet to-day your application in the call to the Presence and your Decreeing, is in the general activity of mankind a thousand times more powerful than the ordinary prayer. You are recognizing, accepting a Presence and Intelligence, a Power that is all Authority and Dominion. While in prayer, you are asking and looking to an omni-presence to help you. Sometimes you have prayed to Me and whenever it is possible, I have tried to answer; but many times the inharmony of the individual made it impossible for My Help to come through.

In the acknowledgment of your Presence and by the power of your Decrees, there is naught to stand between you and the Perfection of the Pres-
ence which you call into action. There is a vast difference between the understanding of the people during My Ministry and that which you are privileged to use to-day.

You have entered into the practical Understanding of the very identical Law I used, to produce My Freedom in the Ascension. Therefore, you have the same privilege to-day. Please understand this and know that I am a real tangible Being, still ministering to the children of earth; but in a manner that is according to your requirements to-day. Therefore, you have the privilege of attaining your Eternal Freedom, if you care to accept it.

We have thought many times: what would the majority of the church people do, if I were to appear in their midst? You see We know their every motive. We know what is in the heart, the feeling world of each one. When individuals preach the gospel and in their own hearts and feeling worlds do not believe in My Reality, how can I be there? Do you see what is the matter? Mankind should understand what they are doing. Oh, the fear among many; lest their human forms be deprived of a few meals! The fear of supply for the body! Oh do not, do not I plead with you, fear what shall happen to your body! It is that fear which deprives you of so many wonderful things. Give yourself into the hands of your Presence! Call Its Power into action! Then see how quickly all fears will vanish from you, beloved ones! Fears are but human creation! They are but concepts and do not belong to your Presence! If you will call your Presence earnestly into action, all fear must disappear; because the Radiance and Light of your Presence called forth dissolves all unlike Itself. You must see that.

Doubt and fear are the two doors that must be opened and held open by the acknowledgment of the one Great God Presence, the “Mighty I AM.” Do you not see how well that is illustrated in the blessed brother’s picture of the “Open Door,” which came forth here in your city? It is wonderful and beautiful. It is very wonderful because it gives you the eye-picture of your Presence, holding back the doors of doubt and fear. You must pass through them into the glories of Its Great Achievement.

It is wonderful, very wonderful! I often send My Blessings to Mr. Brooks for that picture. We and the Messengers shall always love him dearly, because mankind needs more than just an Inner intellectual concept of a thing. When you have before you the eye-picture of the Reality, again I say, it brings the Trinity of Action of your Presence into one focus which means the Victory.

That blessed one has given to the world far more than he yet dreams. This magnificent Chart of your Reality, is setting mankind free by the thousands everywhere; because you cannot contemplate that Chart without gaining the feeling of the Victory of your Reality; for your Presence is the Giver of all Life to you and everyone else. So try to feel It! In the magnificent of Its Glory and Blessing bow before Its Majesty and Presence! Let It be the Director of you and your Life, the Producer of Perfect Health in your body. Let It bring you balance of the mind in Its Beauty and Activity; the fearlessness and glory, the courage and strength, the power and energy which carries
you forward to your Mighty Victory—the Victory of Light!

To those earnest ones of New York and else-
where from the United States of America, I offer My Blessing to-night, in the fulness of My Love and Freedom. Come into My Arms and let Me lift you unto the Glory of your Wondrous and Mighty "I AM Presence"; that you may comprehend, understand and feel Its full Glory flooding you and your world with Its Wondrous Perfection; with Its Mighty Dominion; with Its Invincible Protection and the Glory of the Light; carrying you forward into all Freedom and your Ascension, where one day We shall meet. I shall shake your hands and congratulate you on your Victory of Light! I thank you.

HE TALL MASTER FROM VENUS, known to us as VICTORY said in the Philadelphia class:

"Did you ever think what determination is? Determination is the Activity of your Life asserting Itself, to bring forth the Perfection which It knows It is, into your experience.

"I would like to have you memorize that statement for action. I think it will help you tremendously, to get away from the wavering idea of why you need to use It."

ELOVED students of Philadelphia and America, I wish you to know something of the service that has just been started for America and her people. Sometimes one little realizes how great is the Inner Impelling
Force; or how the Great Presence, called into action, causes each individual to act in Divine Order for the accomplishing of a certain purpose.

Our beloved Virginia and Catherine were impelled to bring forth this adoration and praise to-day. Our beloved Lotus was impelled to make the call for which We have waited three years, ever since the beginning of This Work. Our America, your America, did come forth from the Light and her call to return it to the Light has made possible a Cosmic Activity to the earth!

Oh beloved ones, do you not see how a great earnest call to your Presence will, at the most unexpected moment, enable you to render a service inconceivable to the human intellect? Even as I speak the words to you, it is not comprehensible in the human intellect, as to the immensity of this which has been started to-day.

I have another great joy to offer you. Some of the students and the staff will remember that it was My Great Privilege to offer My Assistance to those blessed young men who passed on over seas, that they might come to the Octave of Light. I did not mention then how many accepted. Sixty-four per cent accepted at that time. Additional to that, including up until to-day, eighty-four per cent of those blessed young men have accepted My Invitation, to come into the Octave of Light and receive this identical Instruction on the "Mighty I AM Presence." It being My Privilege to make it possible, they will return into embodiment comparatively quickly and retain the complete memory of the instruction they have been given, in the knowledge of the "Mighty I AM Presence."

I am quite aware that you do not comprehend but a small part of what this means, but if you saw as I do what it means to the future of America, in the incoming Golden Age, I am sure many of you would rise from your seats by the power of praise and gratitude. Thus, is the Great Eternal Work going on—the Great Eternal Service. On this day, it is such a Great Joy to make you aware of this and let all of the "I AM" Students of America know of the Glorious Transcendent Service which has been given.

Allow Me to remind you, that beginning in the last Shrine Class, some Mighty Activity has taken place within every class which has been held by the Messengers. Please observe it! that it may give you the greatest courage and strength, to know the Reality of this Great Work and Service of the Light.

Blessed ones have been turned aside from this Wondrous Stream of Light. Some unfortunate beings come to listen and because of their previous revolving of resentment toward it, cannot even feel, see nor hear the great Love and Truth that is here. So to-day, I ask you to be strong. This Work the Messengers are giving is the Greatest that will ever be given on earth! Be assured of that! for there is no knowledge greater to come forth to mankind, than the Knowledge of their own "Mighty I AM Presence." It is the Goal of all human pilgrimage upon earth. If people are weak enough to listen to the foolishness of individuals who deny this Great Law, then those people are alone to blame, if their Freedom is cut off. The students see the sincerity, loyalty and truthfulness of the Messengers.
Remember, no longer can We withhold the return upon vicious individuals of that destruction which they sent out. I have sounded the warning a number of times. Yet these individuals go on pouring forth their viciousness in words and feeling. This is My last warning which I shall give. I want this to go into the Magazine, that all of the students of America may know this, for I shall not prompt the people again!

Those who put forth viciousness toward This Light and the Messengers will reap it IMMEDIATELY! This is in the greatest kindness and for their protection. If they will not listen, then they must reap! This goes forth to every one who tries to put forth viciousness toward This Work or the Messengers. There are no human beings in America so kind and who give everyone such freedom as they do. Therefore, people who do not want to accept should be silent. I assert again, that We shall not allow the Messengers to be further bothered by the viciousness of human beings; for such individuals shall reap their own viciousness and silence it!

This is the Law of the Great Cosmic Light, the Law of Life which says: "My Life which I have loaned to human beings shall no longer be misqualified and distorted! My Life is purity and Perfection! Human beings have had centuries and centuries, in which to discontinue their discord and return to My Consciousness, their Home, from which they have strayed."

To-day, We offer the Understanding of the "Mighty I AM Presence" to mankind, in all Love and Kindness. The Messengers have battled the discordant conditions of mankind and have won their Victory. Now, no longer shall they be even affected in any way, even by their attention; because all viciousness shall return upon the people who will not be silent concerning it, when it is projected against this Work and the Messengers.

Anyone can think, if you like, that this is the Messenger speaking these words; but you will find it is not. "I AM" the One, Whom they have told you is the Divine Director, a Cosmic Being of Infinite Power and Authority! and it will be well for everyone to believe that, for it is true!

Now dear ones, I offer this Assistance to-day, because of the great memory and of the Great Service that the Ascended Masters, the Legion of Light and the Cosmic Beings have rendered to the blessed young men who were released from their bodies in the recent world war, and to some who have been released since. I determined, when I saw the war activity going on, that once upon earth the young men who gave their lives for their country, should receive a reward not known on earth before, and it has been done!

Beloved ones, when individuals are offered, offered, offered the Law of Life; and they know in their hearts it is true, yet they allow the intellect or foolish gossip to turn them aside; they can blame no one but themselves. Now, I am strengthening you! In every class since the Shrine, I have rendered a Service to the students to help strengthen them; to give them the courage needed to stand in the Light of their own God Presence, the "Mighty I AM," and let It flood their worlds.

Some apparently have not been able to hold sufficient Self-control and have gone on in the same old ideas. However, We are patient. Where We see
the Light expanded enough; where there is hope that they will be restored, face about and give the needed obedience; then We are ready to stand by until they have won the Victory.

I say this to you to-day and to all the students of America, for We love you more than you can ever imagine: To Those who have been strong enough to stand against the gossip poured at them and remain in the Light, I say to you; “Beloved people have courage! for I shall see that conditions, at your call to your Presence, are so regulated that supply, happiness, courage and strength fill your being and world, with what you require for your Service in the Light”!

Human forces are fast fading from their dominion on earth! I offer this suggestion to-day, that all earnest sincere “I AM” Students may take this unto themselves. Knowing the Law of which I speak: then, if they will not maintain Self-control how can they blame anything or anyone if they fail? There is no provocation in human existence which warrants you becoming irritated or disturbed, when you have this Ever-lasting Blessing for your Freedom and your Ascension.

Dear people, these Messengers have told you, if you will decree for your Ascension in this embodiment and for any reason you do not accomplish it, when you come back in the next embodiment, you will accomplish it without any question in the world. Then, why can you not believe that? Why can you not bend every effort in your being, to live accordingly so that Decree may be fulfilled in your lives?

May this reach every “I AM” Student in the mental and feeling world this day! I am speaking in the Power that rends asunder every destructive force which tries to beset you, beloved Students of the Light. It reaches into the mental and feeling world of every “I AM” Student in the world, and It shall do Its Work for them! If you will give Me the necessary obedience, Self-control and harmony in your feelings, I assure you that not one will fail to have the greatest rejoicing ever expressed in any human form in the consciousness of his or her Dominion and Self-control, over the human conditions which exists in the world to-day.

My Eternal Blessings, Courage, Love and Strength enfold you always! you who are here and all the Students throughout America and the world. I thank you for your attention.

- DECREES -

“Might I AM Presence,” Great Host of Ascended Masters, Mighty Legion of Light, Great Angelic Host and Great Cosmic Beings! blaze forth Your Mightiest Cosmic Power of the Blue Lightning of Divine Love into every person, place, condition and thing under This Radiation! Seal each one within the Wall of Blue Flame of Divine Love from the Ascended Masters’ Octave of Life! and see that nothing ever touches them but the Ascended Masters’ Perfection unto their Ascension!
"I AM" the Presence, the Governor of the Cosmic Light, which has said to mankind: "No longer may destructive forces go forth to harm others! All human beings who send forth those forces must reap them! because it is the Law of Life, having come to the Power of Its action wherein Assistance to the earth must be given."

Mankind is responsible for the discord of earth! Therefore, the people must turn their faces to Me and have the release of My Power of the Violet Consuming Flame! that enables them to be free from all human creation; from all discord and limitations, which they have created for themselves.

"I AM" the Presence, the Commanding Presence, which calls forth the Mighty Legions of Light to seize, bind and remove all discarnate entities; from all castles on the face of this earth; from all palaces; from all homes; from all apartments; from all mining activities; from all industrial activities; from the government of America! I say to all forces of human creation: "You shall no longer have Dominion over your creators, the children of earth!"

My Light shall sweep the earth with Its Infinite Power! My Glory, which mankind has called for in the intellect, shall now find Its Dominion through the heart! that by the Power of My Infinite Radiation going forth, shall the world of each individual be brought into subjection and the Dominion of the Light!

I call the Angels of Blue Lightening, the Legions of Light to stand guard over your America; My America; that every person who tries to bring destructive conditions, qualities or activities into America, shall cease to exist in his human form! Mankind, who still insist on being wilfully vicious, shall meet that viciousness, and quickly!

I, the "Mighty I AM Presence" have given mankind centuries to redeem themselves! Still, when My Messengers go forth through the centuries, does the stubbornness of humanity refuse to accept the promptings. Then, shall they who refuse, reap because their opportunity is here.

I say to mankind: "All, who will not give at-
tention to Me, the ‘Mighty I AM Presence,’ all who do not represent Me, shall find their great mistake. All who claim to represent Me and in their hearts do not, will meet their own creation returned upon them. No longer can deceit reign within the secret activity of mankind”!

I say to all the beloved students of My Presence: “Issue the following Decree, with the Power of My Presence: ‘There is nothing hidden that shall not be revealed to the people of America in the underlying motives of those who would attempt to limit and destroy mankind’! Now! is everyone before the Light of My Presence! Now! shall everyone give accounting to Me, for My Life which all have used through the centuries”!

To you, Oh beloved Students of My Presence, I say: “Remember! you are privileged indeed. If you allow persons, places or conditions to intrude their feelings into your world and you turn aside from My Stream of Life, then shall you indeed wander in darkness.”

The human destructive qualities may no longer be privileged to act to destroy My Children. The nations who refuse My Presence, even as they now know It, as God, by their own darkness will be compelled to perish from the earth. In every age, I have given mankind the opportunity, the warning, that individuals might reverse their momentum and change it, from the darkness of human creation to Me, their Light. For many centuries mankind has refused to heed that warning! Now shall mankind know what I have meant.

This day, I set My Legions into action in your government; in your city, the head of the finances of the world; to take command and bring all human beings into obedience to Me! All the doubts, condemnations and fears shall vanish from the earth and from the feelings of mankind! My Light shall fill the earth, and all shall ere long give complete obedience!

You, who have come to know Me once again, know your infinite privilege to issue My Decrees for the solving of all conditions in your America and the world. Do you not understand that you cannot voice these Decrees without My Presence, Intelligence and Energy? Therefore, “I AM” the Power acting through these Mighty Decrees, for the Freedom and the blessing of mankind.

I call My Legions to take command of the feeling world of mankind; to take from the feeling world of mankind their fear of disease and ill health; that they may stand forth in My Presence, the expression of My Health! The vicious human suggestions, which have created every conceivable discord, disease and disorder for mankind, shall vanish from the memory of mankind and the earth.

Stand in My Light and your world shall be filled with the Perfection and limitless Supply of every good thing Which “I AM”! Surely you must understand now, that the Presence of Life which gives you action and Intelligence is God, your “Mighty I AM Presence,” Myself in action! Then, how, if you believe and feel that, can you doubt Me or fear what man might do, or what created conditions might do?

In the Power of My Presence which has the Infinite Power of the Universe ready to flood forth, set aside your human self, that My Powers now may flow forth and give you your hearts’ desire.
What gives you your hearts' desire for Freedom, for Perfection, for the limitless use of all good things? "I AM" the Presence that gives that desire. Now after many centuries, I must assert My Dominion in these forms which I have projected. How quickly, you may all enter into My Glory and Perfection if you will!

"I AM" the Presence that is Divine Justice done to My people everywhere.

"I AM" the Presence which shall act in your Supreme Court! in your government! in your people! to establish My Age, the Golden Age, again to mankind and give them this time a greater opportunity to return to Me forever! No longer shall human creation dominate My People! I say to all destructive forces of human creation through the earth, communistic or whatever destructive power that is acting through human form: "Now, you shall face Me! a Power with which you cannot cope! which you cannot harm, but which can make you helpless! This opportunity is offered.

I say to the individuals of the world, you shall no longer create wars to destroy My people! You shall no longer find pretenses to destroy the forms of each other! My Commands have gone forth to all parts of the world!

Let no one within hearing of My Voice ever have a single thought that this Messenger is the one who is creating these Words! "I AM" voicing My Own Words through this form!

Remember, Oh people of earth, when the shadows seem to fall around you, that "I AM" there in your heart! In the years ahead, you can have the Light or the darkness! I have brought Myself forth to your attention. If mankind will not heed, then what I have commanded through the heart of every human being of this earth shall feel My Presence and Know It is Me.

As all discarnate entities are taken from the earth, so shall mankind once again live within My Presence and Its Activity!

Give your attention to Me, Oh children of earth, with such earnestness, that all human creation you have drawn about you may be dissolved immediately; that you may have My Joy, Happiness and Power acting within your human form to purify, cleanse and perfect your world; that the Light may hold Its Dominion within you forever!

I thank you all. For all My Children throughout the earth, this day shall the great change begin within each human being. How fortunate are those who have already felt that change!

My Messengers, the Ascended Masters, the Legions of Light, the Great Cosmic Beings and the Cosmic Light Itself, shall take their Dominion in the earth! It shall be done!

· DECREE ·

"Mighty I AM Presence"! instantly turn everything that comes to my attention into the most amazing Ascended Master Miracle, Substance, Power, Success, Victory and FEELING of Divine Love, Light and Happiness! into Thy most dynamic Action of the Unfed Flame, the "Three times Three" and the Cosmic Light that humanity and the earth have ever experienced and keep Them Eternally sustained and ever-expanding.
Touched the earth as there was born
Him Whose Light and Radiant Love
Clothed the world from Realms above
With Substance pure and Power Supreme
In one unending Glorious Stream
Beloved Jesus, Great "I AM,"
The Word fulfilled to every man.

To Him in Love no tongue can tell
We pour our praise like golden bell
And call mankind to love Him too
That He earth's veil may now come thru
In Cosmic Light, the Great "I AM"
Forever pours Its Love to man
And all shall see His Victory now
And to His Mighty Power bow.

As Lord of Life and Light of Love
He comes in Splendor from above
And where He touches earth again
Lo! there comes forth the Unfed Flame!
Abide within It loved ones dear
Become Its Blazing Presence clear
Be Lord of Light! Be all Divine!
Be One with Him, let His Light Shine!

—Chanera
In visualizing and using the Light Rays, each one should train himself to remember, that it is the Light within his body which does all things. Think! when you move your hand, that it is the Light within the nerves and muscles which makes them move. Stop occasionally and feel that Golden-white Light pouring through to do each task of the day.

When you think, realize that it is the Light in your brain cells which is your mental activity. Whenever you want greater alertness, visualize the blazing Golden-white Light flooding your head and see the marvelous change and ease with which you do all mental work following that.

When you are speaking FEEL, that it is a Ray of Light-substance flowing out through your mouth, which is making the sound you send forth.

When you are looking at something FEEL, that it is the LIGHT pouring through your eyes which gives you the Power to see.

When you are listening to something, FEEL that it is the LIGHT within your ears which enables you to hear. In this way, you will be able to project the Light Rays with very much greater power.
EARN to rest in the Power of your "Mighty I AM Presence" and place all your activity within It, rather than to claw in your feelings to bring things that you need and wish to use from channels, that you know are filled with these things. This is a very subtle thing and people with good intent disobey the Law continually without realizing it, because they do not understand this point. Because there is plenty of what you need in someone else's use and custody is no reason to feel that your Presence wants you to have it from that channel, when you want it.

If the Young people of America will understand this point and call directly to their Presence, it will enable supply from all channels to flow in and release whatever you need. We so much want you to have the best there is or something better than you think you want in the physical experience.

Try to let your Presence show you what It wants you to have, for that will always be far better than you can even desire for yourself.

· AFFIRMATIONS ·

"Mighty I AM Presence," and Great Host of Ascended Masters! seize, bind and blast all human feeling, its cause, effect and record, in my mind, body, being, world, atmosphere and environment forever! and replace them by the Ascended Masters' Feeling, Consciousness, Light-Substance, and eternal Presence of the Unfed Flame instantly and infinitely manifest, eternally self-sustained and ever-expanding!

"Mighty I AM Presence" make me feel all of your light right now.

"Mighty I AM Presence!" Flood me with your Light without limit in all I do forever.

"Mighty I AM Presence!" make me rest in your activity to bring me the supply of every good thing from the channels it is wise to use at this time and that are always harmonious to me.

"Mighty I AM Presence!" we call for the protection of the young people of America as never before, and decree that the Mighty Cosmic Light shall burst upon and within them so bright that they all, every one within America shall have these books, this teaching, Ascended Master Victory, Success, Dominion, Freedom and the Light of the "Mighty I AM Presence" and Ascended Masters forever self-sustained, to the fulness of their Ascension NOW.

OUR NEW BOOKS

Ascended Master Light

T is our very great joy and privilege to announce the coming release of ASCENDED MASTER LIGHT, Volume 7, of the Saint Germain Series, about January first by the Saint Germain Press.

It contains Dictations by the Ascended Masters and Great Cosmic Beings, which were given before thousands of "I AM" Students within the last few months.

There are no human concepts nor interpretations of any kind within them. Every Word is a "Cup of Light" carrying the Consciousness, Life, Energy, Feeling, Courage, Strength, Power and Light-substance direct from the Ascended Masters Who Dictated Them.

They are placed in printed form to release the Victory of the Cosmic Light to all who will accept the Freedom which They bring.

The Ascended Masters and Cosmic Beings are giving Their Assistance to every individual when the attention is upon Them while reading these books. At the same time They are pouring the most powerful Protection for our Beloved Land of America through the reader, while his attention is upon the Ascended Masters. America’s Light and Freedom were established in the beginning, by the Help of these Great Ascended Beings and we, Their Messengers guard the Light in America with our very hearts.

Those who heard these Dictations felt and received the Light and Power released through Them and are the beneficiaries of the Blessings the Ascended Ones poured forth.

This volume contains three beautiful color charts for the contemplation of the student. Each book is charged by the Ascended Masters and Cosmic Beings with the greatest Power of Love, Light, Freedom, Protection and Perfection for the individual and America.

The Blessings flowing continually through them will bring joy without limit to all who sincerely accept, apply the Instruction given and feel the Mighty REALITY and Truth contained within them.

This book is of very great import to our land of America, for through IT will flow tremendous Protection from the Great Cosmic Beings.

May every human being on earth understand the Reality of these Great Blessed Ascended Masters and have the Victory and Freedom which They so lovingly and patiently offer to all.
